

Dear Community Supporter,

The Deckerville Youth Sports Association would like to thank you for your continued support of our local youth athletes. As we prepare for the upcoming 2026 baseball and softball season, we are reaching out to invite you to renew your banner sponsorship and/or sponsor a team for this year.

Your support plays a vital role in providing a positive, safe, and fun environment for our kids. This season, we are excited to share that we have added a new batting cage, which will be up and running for the 2026 season and available to our players for skill development and practice. In addition, sponsorship funds help us keep equipment updated, fields maintained, and participation affordable for families in our community.

Banner sponsorships are a great way to show your support while gaining local visibility throughout the season, and team sponsorships directly impact the experience of our young athletes. Every contribution—large or small—makes a meaningful difference.

We truly appreciate your consideration and ongoing commitment to Deckerville youth sports. If you have any questions or would like to renew or begin a sponsorship, please reach out to us or visit deckervilleyouthsports.com.

Thank you for helping us continue to build strong athletes, teams, and community pride.

Sincerely,

Deckerville Youth Sports Association
